

Volunteer Opportunity

Pontypool Wild Spaces Volunteer

Location: Various locations around Pontypool

Position details

There are three volunteer roles for the Pontypool Wild Spaces Project. You can choose more than one if you wish.

Youth Group Volunteer

Commitment: Tuesday evenings 18:00 to 20:00

Frequency: Once a month

Role Description: Helping at youth group meetings for our members aged 9 to 24. Meetings involve nature-based activities, workshops and guided walks. Knowledge of wildlife is useful but not essential. Experience working with young people will help

Location: Pontypool Town Centre

Event Volunteer

Commitment: Will vary between daytime and evening events

Frequency: Usually in school holidays and half-terms

Role Description: Assisting with public wildlife events including bird watching walks, bug hotel building and bat surveying

Location: Various including Pontymoile Basin and Pontypool Park

Practical Conservation Volunteer

Commitment: Weekdays between 10:00 and 14:00

Frequency: Once a month

Role Description: Working on Pontypool's green spaces to transform them into wildlife havens. Tasks include digging flower beds, tree planting, constructing wildlife homes, hedge trimming

Location: Pontypool Town Centre
