Gwent Wildlife Trust

Lottery for Wildlife

2019

This leaflet should explain everything you need to know about Gwent Wildlife Trust's Lottery for Wildlife. If you have any other questions, please contact Sarah Binmore, details below.

What is Lottery for Wildlife all about? Each entry into Lottery for Wildlife costs £1 each month. This £1 earns you a place in the Lottery for Wildlife draw, held at the end of each month. The lucky winner will receive 30% of the income for that month. The remaining 70% goes towards our conservation work. Over the last 10 years, Gwent Wildlife Trust's Lottery for Wildlife has raised over £17,000 for local wildlife and we've given out over £6,500 in prizes.

Lottery for Wildlife 2019 is contributing towards Gwent Wildlife Trust's **Bridewell Common Appeal**.

We want to purchase, manage for wildlife and protect for future generations, Bridewell Common - 81 acres of land on the Gwent Levels, to create a Nature Reserve as part of our existing network, for people to enjoy now and for the future.

Thanks to the generosity of Pat Gorvin, who left us a generous legacy, we have half the funds we need. The other half we need to raise through fundraising activities like Lottery for Wildlife.

Bridewell Common is a cluster of fields within the Magor and Undy Site of Special Scientific Interest (SSSI) that still retain their field system pattern and visible grips from 200 years ago.

The fields contain marshy grassland with a number of indicator plant species such as yellow flag iris and brooklime that make it an important site for conservation. The fields are separated by a series of reens, a significant historical feature unique to the Gwent Levels that offers habitat for insects, birds, mammals and amphibians. Bridewell Common is already home to a wide variety of creatures such as water voles, butterflies, dragonflies and birds like reed bunting (pictured).

What do I need to do next?

To support GWT's Lottery for Wildlife, all you need to do is fill in the form overleaf. Alternatively, visit www.gwentwildlife.org/LotteryForWildlife to play online.

Each ticket costs £1 per month or £12 per year. You can buy more tickets for a higher chance to win, please multiply the costs accordingly. It would be a great help if you could pay by standing order, in which case, fill in all the relevant bank details and return the form to us at the address below. We'll do the rest! This method gives you complete control over the process and you can cancel the mandate at any time by contacting your bank. (Most banks allow you to do this instantly online).

If you prefer to pay by cheque/card, leave the bank details on the form blank and include a cheque for £12 for each annual ticket that you wish to purchase and return it with the form to the address below. We will send you a reminder each year to let you know when your subscription is due.

Return your form, with completed bank details or a cheque made payable to Gwent Wildlife Trust, to
